1 A "1" following a place name indicates that the place is coterminous with a MCD. A "2" following a place name indicates a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A "2" following a place code indicates an actual voting district. Its absence indicates that the CTD is a pseudo-voting district or no information is available to determine the type of district.

3 A "3" following a block number indicates that the block number is repeated elsewhere in the block.
